- Other hospital areas

### Features of the app include:

- Key hospital phone numbers
- Car parking information
- Directions & routes to Addenbrooke's and the Rosie by:
  - Car
  - Bike
  - Public transport
  - Walking

### How does the app work?

- Enter your starting point and where you need to go
- The app will show you the easiest route to follow
- Images of the route will guide you along the way
- Increase the text size if required
- The app also works with screen readers
- Directions to the entrances are clearly shown

When you arrive, the app can help you get from:

- Car parks 1 and 2
- The main bus station

Just choose your starting point and follow these steps:

**Choose your starting point:** Pick Car Park 1, Car Park 2, or the Bus Station

**Pick your destination:** Choose where you need to go (e.g. Main Entrance, Clinic 2)

**Get directions:** The app will show you how to get there.

### How to download CUH Directions

- Go to the [App Store](#) (iOS) or [Google Play Store](#) (Android) on your phone.
- Search for **CUH Directions** & download it
- Open the app and start using it to find your way around the hospital, this can be done with or without internet access (Wi-Fi or data)
