The City Care Centre in Peterborough does have its own dedicated parking, but there are only a few disabled parking bays, however, plenty of standard parking spaces and the appointments are usually quick, therefore is generally a quick turn around on parking space availability.

There are also several nearby options for parking, including on-street parking and car parks operated by the city council.

Parking Costs

Claiming Transport Costs

Patients going to Peterborough City Care Centre who usually claim back the travel costs will no longer be able to do so. The Centre no longer provides refunds in cash like they used to, nor do they any longer deal with claiming back costs at all.

One of our passengers was informed PCCC by Podiatry that patients now have to fill in a HC5(T) form and post it to the CCG. Forms are to be sent to:
